WHO WE ARE
Launched in 2007 at Florida Institute of Technology, weVENTURE was created to accelerate growth for women entrepreneurs by providing customized coaching and mentoring, business education, and purposeful networking programs. weVENTURE is a non-profit organization, funded in part through a cooperative agreement with the U.S. Small Business Administration.

weVENTURE is a leading regional voice and resource for igniting the economic power of women through entrepreneurship, with locations in Melbourne, Rockledge and Orlando.

BENEFITS
weVENTURE offers customized, highly-effective training to three distinct entrepreneurial levels: start-up to at-revenue businesses, emerging businesses and second-stage, growth-oriented companies. As a weVENTURE client, your business has the opportunity to benefit from the following:

- Increased Revenue Generation
- Targeted Market Penetration
- Expanded Business Relationships
- Access to Critical Resources and Capital
- Increased Financial Expertise
- Professional Leadership Development
